"MAFIA DOESN'T EXIST" (The Mafia)

Mafia, or rather mafias, do exist and are active on Lake Garda.

Where? How? Why? Since when?

Find out with us every Wednesday at **Emanuele Riboli House of Legality** in Manerba del Garda, small confiscated villa from organized crime

EXPERIENTIAL WORKSHOP

Our journey into the society's underworld includes two stages:

- 1° Let's discover the underworld of organized crime in northern Italy and on Lake Garda: through films, debates and practical activities, we will talk about how and why mafias have expanded into the regions of northern Italy, how they move today, what each of us can do.
- 2° From theory to practice: thanks to our digital activities, you will become an active part of social re-use of confiscated properties!

Digital graphics: decorate your own shirt!

Find out how to print a logo on a t-shirt, from graphics to printing.

3D printing: print your own snail!

Discover 3D printing, from the file to its final realization. Why a snail? Come here and find out!
